# AUSTRIAN ODYSSEY MOTORCYCLE TOUR

**::: 4 to 16 Sept 2012**

Join us for a spectacular twelve day alpine adventure as we explore the best of Austria, a rider's mountain paradise. Our target destination is Carinthia (Kärnten), Austria's southernmost region where you'll stay five nights at one of Europe's most biker-friendly guest houses. From here you'll discover a dramatic land of lofty snow-capped peaks, lush valleys, colourful villages, vibrant culture, fine food and warm hospitality.

You'll be provided with detailed information on the area's best routes and sightseeing. Revel in the bends and breathtaking scenery of the Nochalmsstrasse and Grossglockner High Alpine Roads. Slip onto the cultural crossroads of Slovenia or savour la dolce vita in nearby Italy. History buffs might opt for Berchtesgaden and the breathtaking view from the Kehlsteinhaus, now a café. Hang out on a near vertical alpine cable car, visit a special exhibition or unwind with a sunny afternoon

boat cruise on the Millstätter See. There are enough options to keep you as busy, or relaxed, as you wish.

Our tour begins and ends with overnight mini-cruises between Hull and Zeebrugge. Historic sites, museums and markets along the way give you plenty of options for individual sightseeing and exploration. You'll stay in high quality hotels and guest houses—some with spa facilities—serving fine continental cuisine. And simply "because they're there" we'll traverse Germany's B500 Black Forest High Road and the legendary Stelvio, the highest paved mountain pass in the Eastern Alps.

There's so much more to see and do on this tour beyond the highlights noted. With plenty of new experiences every day our goal is to help you *get out there* for the ride of your life!
