CZECH WORLD SUPERBIKE & HIGH ALPINE TOUR

::: 17 to 29 July 2012

This special tour is all about riding great roads to extraordinary places and making some very good friends along the way. We start by heading to the Czech Republic for sizzling World Superbike race action at Brno, one of the most picturesque and competitive circuits in the world.

The high alpine portion of our trip takes us through some of the most spectacular mountain scenery in central Europe. We'll explore iconic routes including Austria's breathtaking Grossglockner High Alpine Road, the legendary Stelvio Pass and Germany's fabled B500 Black Forest High Road.

To make it a truly memorable experience we've included a BMW Motorrad Motorsport Hospitality package. This comprises a grandstand seat & paddock access, hospitality area with food & beverages, a meet & greet with Leon Haslam and Marco Melandri and more. You will also be transported to and from the circuit by mini-bus.

Our journey begins and ends with overnight mini-cruises between Kingston-upon-Hull and Zeebrugge. En-route you'll be staying in fine rider-friendly guest houses and hotels located in historic and attractive settings. Historic sites, museums and markets along the way give you plenty of options for individual sightseeing and exploration.

Before and after Brno we'll wind our way along Czech's smooth and sinuous secondary roads to a number of captivating stops including the spectacular Unesco World Heritage gems of Telč and Český Krumlov.
